

CDSP Seminar with Sheila Bennett

Sunday, 6 December 2026
at MasterPeace Dog Training

264 Fisher Street, Franklin, MA 02038

Would you like to improve your performance in the CDSP Obedience Ring?

Are you confused about some of the regulations, i.e., when can you feed your dog; when can you talk to your dog; does change of pace really matter?

Do you need to attend a seminar to keep up your eligibility as a CDSP Rep or as a Judge? We have it for you!!!

Attendance will be taken and you will receive a certificate from CDSP

This seminar will be geared towards Starter, Novice and Open. We will also have run thrus after for Starter, Novice, and Open. Please fill out attached form. A copy of the Rules and Regulations will be given to each attendee.

Sheila Bennett is a knowledgeable CDSP Judge (as well as a AKC Judge). She frequently judges our trials at MasterPeace. She understands how nervous competitors get when ready to enter the ring. But she also knows that knowledge of the exercises is one of the keys to successful competition. If you are confident, your dog will be happier to compete with you.

Cost of the seminar is \$50. Cost of two run thrus is \$20. Check(s) should be made out to MasterPeace. The forms and checks should be sent to Karen Squier, 26 Merganser Way, Walpole, MA 02081. Please include your entry fee of \$50.00 for the seminar **(checks only)**
